Dear Parents and Carers,

Due to the announcement of school closure, we have sent home learning activities and we will also be using Purple Mash to set daily work to ensure pupils can continue learning at home throughout school term time.

Teachers will be emailing pupils daily and set learning activities on the Purple Mash online learning platform. I will let the children know through this page which activities they will need to complete each day.

In addition, we have provided worksheets and activities if online learning is not always possible.

Useful websites:

Phonics play - www.phonicsplay.co.uk
